### For GLYPHICONS customers

- ✔ If you have purchased any GLYPHICONS icon set or collection, either now or in the past, you are granted a license to use the GLYPHICONS Label font under the same terms as the icons – regular license is available here: <https://www.glyphicons.com/license/> or you may find it in a root folder with your icons.
- ✔ This license permits repeated use, covering all typical font applications, such as use on desktop and other computers, websites, mobile apps, ebooks or electronic publications, videos, films, and social media platforms and you also get the right to embed it on websites, where this font license has no page views or number of user restrictions.

### For non-customers

- ⓘ If you have not purchased any GLYPHICONS icon set or collection, the GLYPHICONS Label font is available under the Creative Commons Attribution 4.0 International (CC BY 4.0) License – full license is available here: <https://creativecommons.org/licenses/by/4.0/>. This means you can use the font for free in any project as long as you give appropriate credit, provide a link to the license, and indicate if changes were made.
